

Supporting Students

Dyslexia Cornwall are delighted to announce that we have been awarded grant funding from the British Dyslexia Association for a Pilot Project.

The project will offer **FREE** support to students with Dyslexia and/or Dyscalculia who must re-sit their English and Maths GCSEs in 2024 and will focus on study skills, revision strategies and examination techniques.

The support will be led by a qualified Specific Learning Difference teacher.

Each tuition module will consist of a series of 3x 2 hour Saturday morning workshops. The activities will be focused, multi-sensory, practical and fun.

We plan to run two complete modules in March and April in 2024. Each study group will have up to 8 students plus supportive adults if requested by the individual student.

We need your help!

We would like your help in identifying students who meet our criteria so that we can invite them to join us. We are looking for students :

- **Age 16+**
- **With a diagnosis of Dyslexia and/or Dyscalculia**
- **Living in the areas in and around Redruth, Camborne, Pool and Newquay (or that attended secondary school in these areas)**
- **Pupil Premium pupils also considered living outside of these areas**

Please contact Laura at enquiries@dyslexiacornwall.org.uk or 0771 6639374 to let us know if you have any willing students or to find out more.
